WILL BRIGHT FOUNDATION'S OUTREACH PROGRAMS

WBF SCHOLARSHIP PROGRAM

We provide scholarships for individuals needing financial assistance to enter a faith-based recovery center. This program offers that first step many need to start their journey towards living a life free from addition.

RESTORATION SPRINGS

Located in Fayette, Alabama, this outreach provides a "next step" for men needing a place to land after their stay in recovery by providing housing, counseling, job readiness training and job placement.

- Small Groups and Celebrate Recovery provide our residents an opportunity to grow spiritually while strengthening their walk in sobriety
- Community service is a big part of our program. Our residents give back to our community through acts of service, i.e. grass cutting, moving furniture, and helping local businesses

VOICES FOR NON-OPIOID CHOICES ("VOICES")

WBF is please to be a charter member of "Voices", an advocacy group founded in Washington DC and dedicated to bringing awareness, education and legislation regarding the Opioid Crisis.

SOCIAL MEDIA

Through our social media platform, we are providing awareness and educational information on addiction, the Opioid Crisis, and its effect on families.

A NOTE FROM THE CEO

Thankful is the first word that comes to mind upon reflecting on this past year. When we started the Will Bright Foundation, we knew what we "wanted" to accomplish, but to see it actually become a "reality" has been truly amazing! God has turned our pain into his purpose through the dedicated work of our financial supporters, volunteers, and board members. We are truly breaking the barriers to recovery from addition.

Did you know most men coming out of a recovery program have no money, no job, no place to live, no driver's license and possibly pending legal issues, AND are trying to stay sober? We realize that this "next step" is critical not only to their sobriety, but possibly to their life. Our men are experiencing the benefits of having a safe place to live, job readiness training, job placement and help with pending legal issues through our facility, Restoration Springs. A place dedicated to help bridge the gap between the bubble of recovery and taking that next step.

Of course, none of this would be possible without YOU! We Thank You for your continued prayers and support!

Blessings.....
